

To celebrate springtime, **The House of Suntory** and **Nobu Hotel Shoreditch** are proud to present **Hanami**: A celebration of Japanese Craftsmanship and the Sakura Bloom.

Inspired by the ancient Japanese practice of dining beneath the blossoming Sakura, the **Nobu Hotel Shoreditch** terrace has been transformed into a tranquil escape, with an exclusive cocktail menu featuring Japanese craft spirits from **The House of Suntory**.

In Japanese culture, the Sakura season represents the ephemeral nature of human existence, and millions of people from all over the world travel to drink, dance and dine beneath the blossom.
